Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Private Utility Reconstruction Schedule:

CenterPoint Energy has finished gas main replacements and will continue with gas service replacements in your neighborhood. Its work will be completed in approximately two weeks. If you have questions regarding this work, please contact Ryan Urich at 612-321-5054 or ryan.urich@centerpointenergy.com.

Project Schedule:

- Next week, crews will drill a sanitary sewer pipe along the property line of 4015 and 4043 Sunnyside Road down to Meadow Road. The intersection of Sunnyside Road and Curve Avenue will remain closed for approximately two more weeks to complete this work. Meadow Road will remain open during construction. The contractor will place appropriate traffic control measures, but please use caution and drive slowly through the work zone.
- Parking along Sunnyside Road for businesses will still be available while the intersection is closed.
- The contractor will complete the intersection work before reconstructing other streets in the Morningside A Neighborhood Roadway project area.

All schedules are weather dependent and subject to change.

Remember, on-site parking will not be allowed in areas where crews are actively working. This keeps the streets open for construction traffic and emergency vehicles.

Communications

- Have questions or comments regarding this project? Visit the project website at www.EdinaMN.gov/morningsidea_whiteoaksc or call me at 952-529-2317 or kmontebello@sehinc.com.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information. The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Kelsey Montebello
City of Edina On-site Representative
